

C201SQ

C201SQ

The new C201SQ offers installers even more choices in distributed audio applications. Square footprint for those installs needing to match in-ceiling ventilation geometry (or for those who just prefer to be square!) with all the benefits of our C-Series performance. Woofers are back-mounted on the baffle for improved weather resistance.

Perfect for installations in bedrooms, entryways, corridors, garages and covered patios. Weather resistant design and finished with diamond-perf grilles to match Symphony and Virtuoso installs.

A fire-rated back can can also be ordered separately and used for light commercial installations.

FEATURES & SPECIFICATIONS

Features:

- Square footprint for installs needing to match in-ceiling ventilation
- Woofers back-mounted on baffle for improved weather resistance
- 8 ohm nominal impedance
- Diamond-perf grille design matches Symphony and Virtuoso
- Perfect for bedrooms, entryways, corridors, garages and covered patios
- Weather resistant

Specifications:

Tweeter: 3/4" (19mm) pivoting cloth dome

Woofer: 6 1/2" (165mm) polypropylene cone with rubber surround

Frequency Response: 60 Hz to 20 kHz +/- 3dB

Power Handling: 5 to 100 watts

Impedance: 8 ohms nominal, 6 ohms minimum

SPL: 88 dB 1W/1m

Grille: Aluminum

Dimensions (W x H x D): 8 5/8" x 8 5/8" x 3 1/2" (219mm x 219mm x 95mm)

Retrofit Cutout Dimensions (W x H): 7 7/16" x 7 7/16" (189mm x 189mm)

Weight: 8 lbs (3.6 kgs) per pair
